Sir,

With reference to your

letter, No. 403, of the instant I have

the honour to report that the school

work at present is distributed among

the various teachers as indicated under:

The Headmaster — 3 hours a day.

In addition to this regular work the Headmaster visits the lower standards inspecting the work of their teachers and rendering them help at times.

Mr. Deshar — 4 hours a day.

In addition to this work Mr. Deshar has been told to assist the teachers of the lower standards in teaching especially

English. In connection  
with this it may be  
remarked that a trial  
to introduce the Direct  
method of teaching  
English and more  
generally of the new  
syllabus of studies  
sanctioned by Govt  
in their Resolution  
No 986, dated 1.9.10  
may be under  
contemplation.

Mr. Joshi — 4 hours a day.  
In addition to this  
Mr. Joshi will do office  
work which requires  
on an average more  
than one hour per day.

Mr. Tulenur — 5 hours a day.

Mr. Lavakar — 4 hours a day.

Mr. Chopi — 4 hours a day.

Mr. Chopi being a permanent hand  
is put in charge of St III.  
It will be seen that this arrangement  
is only temporary. In the Persian Teacher's  
post there are now two hands and  
thus there is now a saving of two

Rao Bahadur Dewan,  
Gavarni.  
Sir,

Sanctioning No 647 dated 22nd September 1911, I have  
elected Mr. ...  
The honour to report that the results of  
the annual examination have been

made known by the Deputy Educational  
Inspector that classes have been changed  
and that after the examination was over  
the school has not been closed on any

account. I, however, regret to report  
that the attendance of boys has suffered  
miserably owing to the following reasons:

(1) All the mofussil boys who form  
a great majority, have gone away on  
account of the out-break of plague.

(2) "A great many of the local boys  
have also gone away along with the  
families to which they belong or have  
been singly sent away for the same  
reasons. Boys, especially those who re-  
ceive English education, are generally  
regarded as the flower and hope of the  
families.

(3) Some of the local boys are detained  
home by their parents or guardians  
who have, for the time being, been in-  
different as regards their education  
on account of the anxiety owing to plague  
and the present solitary and dreary condition  
of the school consequent upon the sudden ab-  
normal fall in the attendance of boys.  
As a matter of fact, the attendance  
at present does not show half as score. Plague  
in this town at present appears to be only  
in a lingering condition and if, fortunately  
for all of us, it soon stops altogether, it  
will then be possible to take up the new  
year's work in right earnest.

I have the honour to be,  
your most obedient servant

To the Hon. Secy. to Govt. of Madras  
for the year 1911-12  
of the results of the examination  
of the students of the  
Government High School,  
Madras, for the year 1911-12  
I have the honour to send  
herewith the result sheets of the  
last Annual Examination and to  
make the following recommendations:  
2/ Of the five scholarships viz. one  
of Rs 4, two of Rs 3 each and two of Rs 2  
each, two scholarships, one of Rs 4  
and the other of Rs 3 are to be awarded  
to Mahomedan scholars only. The  
remaining three are open to general  
competition. They may be awarded  
as follows:  
One Mahomedan scholarship  
of Rs 4 may be awarded to Sultan  
W. D. of the Madras The other Mahomedan  
scholarships of Rs 3 to Faruqi

W. 1881-82

(ii) The other scholarship of Rs 3 may be awarded to G. B. Godke of St V. His progress, according to the impression of the class master, is more satisfactory than that of Jehangeer B. A though he has scored an equal number of marks in the examination.

(iii) One scholarship of Rs 2 may be awarded to Raddi of St II and the other scholarship of Rs 2 to G. A. Raichur of St II.

3. There are two Khanjara boys in this school holding special Khanjara scholarships of Rs 3 each viz

1. Ris-aldar M. H. of St II.
2. Ris-aldar G. R. of St II.

Of these the first was not present at the examination on account of the outbreak of plague. His progress being however fairly satisfactory, he will be recom-

mended for promotion to St II.  
The 2nd has passed in the annual  
examination. His scholarship may  
<sup>therefore</sup> be continued.

4. There are in this school two  
boys of Birader Nawabs, viz. Birader  
Nawab Tabrizkhan and Nawabkhan  
and Birader Nawab Habibullah and  
Habibkhan. The progress of both  
is satisfactory.

5. There are 21 free boys in this  
school. Of these 9 have passed  
in the examination. The progress  
of 11 of the remaining 12 boys is  
fairly satisfactory. The progress  
of G. D. Gultharni St III is not  
satisfactory. His feeship may,  
therefore, be discontinued.
